TECHNICAL INFORMATION

Size Limitations

Control Type	Min Width	Min Drop	Max Width	Max Drop	Max Area
Manual Crank	3.3ft	19"	16.4ft	13ft	172 sqft
Wynmotion Motorisation	3.3ft	19"	16.4ft	13ft	172 sqft

Operating Options

Cable Guide Awnings can be operated by:
1. Manual Crank
2. Wynmotion Motorization

## Head Box Options

Choose from 3 head box styles
1. Closed head box
2. Open head box
3. No head box

Bottom Rail Accessories

Locking Bolt - Secures the awning into the side channel base, cable bracket or breeching staple. As the bolt is inserted inside the base rail, the system maintains its clean aesthetic, and allows the bottom rail to be positioned closer to the ground.

Hardware Colors

With 6 standard colors inspired by popular COLORBOND® colors, so your awning can complement most exteriors styles. Custom colors available.
Black

Woodland Grey

Silver Pearl

Paper Bark

Primrose
Inspired by: Classic Cream®

Pearl White

BENEFITS

Close-up

Extra Strength Cable

The cables are high tensile $\frac{3}{32}$" 316 grade marine stainless steel, making them perfect for coastal applications.

Fabrics

The Cable Guide Awning is available in numerous fabric types, giving options for light control whilst blocking those nasty UV rays.

Child Safe

The Awning's cables are fixed in place and do not hang loose, ensuring child-safety is maintained.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a Wynstan 3 year warranty*.

*For more information about our Wynstan 3 year warranty, please see our Warranty & Care Guide manual.
