

FOLDING ARM FULL CASSETTE AWNINGS

SHADE FOR OUTDOOR LIVING

Folding Arm Awnings allow your living space to be extended to the outdoors, making it a perfect product for the Los Angeles lifestyle. The fully automated awning is streamlined and neat, free from vertical posts, allowing people to walk under it without any obstructions.

TECHNICAL INFORMATION

Operation

The Full Cassette Folding Arm Awnings are powered **by Wynmotion automation only**. Wynmotion movement sensors are highly recommended for motorised options.

Size

They have a maximum width of 23ft with a projection of 11.5ft. The width of the awning must be more than $19\frac{3}{4}$ " bigger than the projection for the awning to work.

Pitch

The pitch of the awning can be set on installation from a minimum of 5° down to 45°, if requested.

BENEFITS

Close-up of the full cassette

No Posts

No posts or poles means that no floor space is taken up by the Awning.

Streamlined

The Folding Arm Awning offers a sleek design and contemporary style, offering sun protection for a more comfortable lifestyle.

Retracts into a full cassette

When retracted, the Awning is discretely concealed into a full cassette. Protecting the fabric and arms while not in use. It is not designed to be left out in the rain or in bad weather.

Fabric

The acrylic fabric comes in a range of modern and contemporary colours to compliment almost any color scheme.

Child-Safe

The lack of cords or cables adds an extra level of child-safety.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a Wynstan 3 year warranty*.

*For more information about our Wynstan 3 year warranty, please see our Warranty & Care Guide manual.
