

THE CLEVER CURTAIN

Everyone loves curtains, they're elegant, soft, and stylish – but they're either open or closed. Wynstan Veri Shades® unique patented design has the elegance and functionality of a blind and the privacy of a curtain. With the turn of a wand you can easily adjust the Veri Shades® to control and adjust light levels depending on the position of the sun, or privacy required.

TECHNICAL INFORMATION

Size Limitations

Control Type	Min Width	Min Drop	Max Width	Max Drop	Max Area
Wand	40inch	40inch	234inch	141inch	25.1 yd ²

Uniform Appearance

Seamless color coordination between fabric and hardware for a cohesive interior look. The modern headrail design is available in 6 matching colors

Wand Operation

For a cordless and enhanced child safe solution, opt for the traversing Wand operation (available in white, white birch, black and clear anodised). Using just one hand, simply rotate the fabric blades and draw the vanes across. Available Wand Size: 29^{1/2}inch, 43inch, 59inch, 78^{3/4}inch.

Hardware Colors

With 4 standard colors available:

Track Option

Stacking Options

BENEFITS

Functional

For seamless indoor-outdoor living, conveniently walk through the individual fabric vanes whether they are opened or closed.

Light Control

Provides daytime privacy whilst allowing a soft view through. Easily adjust the level of privacy and light to suit your requirements by rotating the fabric vanes halfway. To block light, close the shades completely.

Child-Safe

The lack of cords or cables adds an extra level of child-safety.

Quiet

Free from noisy connecting chains and bottom weights, Veri Shades® operates quietly and softly settles back into position.

On Trend

Ideal for contemporary interiors, large windows and sliding doors, Veri Shades® is perfect for creating a statement feature across vast openings with their elegant vertical design.

Satisfaction Guaranteed

Quality installation is assured with our specialist team, and peace of mind with a Wynstan 3 Year Warranty
