

TRADITIONAL ELEGANCE

Our made-to-measure Basswood or Fauxwood Plantation Shutters will transform the appearance of your home. A wide variety of colors, slat widths and shapes mean that we can tailor the right solution for your home. Fauxwood Shutters are especially designed for wet areas such as kitchens, laundries and bathrooms.

TECHNICAL INFORMATION

Type

Choose from Basswood or Fauxwood Shutters. When compared to other similar products, Fauxwood Shutters, have the appearance of real timber, with superior moisture tolerance.

Color

Plantation Shutters are available in many different colors, ranging from whites and blacks to varying natural timber shades, both light and dark.

Style

Plantation Shutters can be made in a variety of styles such as Bi-Fold, Sliding, Fixed or Hinged. Plantation Shutters can also be made to fit arched, triangular or angled windows. Plantation Shutters can also be made with independently operated top and bottom halves.

Blade Size

Three different blade sizes are available. Choose between 2½", 3½" or 4½" wide blades.

BENEFITS

Range of Styles

With numerous styles and colors available, Plantation Shutters can be highly customized to suit any room.

Insulating

Excellent insulating properties help keep your home warm in winter and cool in summer.

Child-Safe

Plantation shutters are safe with children as there are no cords.

Satisfaction Guaranteed

Quality installation is assured with our specialist Shutter team, and peace of mind with a Wynstan 5 Year Warranty*.
